TABLE OF CONTENTS

After you have satisfied the deductible, if any, your dental program pays the following percentages of the treatment cost, up to a maximum fee per procedure. The maximum fee allowed by Delta is different for participating dentists and nonparticipating dentists. If

Delta Dental of Minnesota does not determine whether a service submitted for payment or benefit under this Plan is a dental procedure that is dentally necessary to treat a specific condition or restore dentition for an individual. Delta Dental ev aluates dental procedures submitted to determine if the procedure is a covered benefit under your dental plan. Your dental Plan includes a preset schedule of dental services that are eligible for benefit by the Plan. Your dentist may recommend or prescribe other dental care services that are not covered, are cosmetic in nature, or exceed the benefit frequencies of this plan. While these services may be necessary for your dental condition, they may not be covered by us. There may be an alternative dental care service available to you that is covered under your plan. These alternative services are called optional treatments. If an allowance for an optional treatment is available, y ou may apply this allowance to the initial dental care service prescribed by your dentist. You are responsible for any costs that exceed the allowance, in addition to any coinsurance or deductible you may have. Services that are not covered by the Plan or exceed the frequency of Plan benefits do not imply that the service is or is not dentally necessary to treat your specific de ntal condition. You are responsible for dental services that are not covered or benefited by the Plan. The decision as to what dental care treatment is best for you is solely between you and your dentist.

ONLY those services listed are covered. Deductibles and maximums are listed under the Summary of Dental Benefits. Services covered are subject to the limitations within the Benefits, Exclusions and Limitations sections described below. For estimates of covered services, please see the "Pretreatment Estimate" section of this booklet.

b) Employees on Family and Medical Leave as mandated by the Federal FMLA.

1. Natural-born and legally adopted children (including children placed with you for legal adoption). NOTE: A child's placement for adoption terminates upon the termination of the legal obligation of total or partial support.

3. Stepchildren who reside with you.
4. Grandchildren who are financially dependent on you and reside with you.
5. Children who are required to be covered by reason of a Qualified Medical Child Support Order. You can obtain, without charge, a copy of procedures governing Qualified Medical Child Support Orders ("QMCSOs") from the Plan Administrator.

    they are primarily dependent upon you; and

    x are incapable of self-sustaining employment because of physical handicap, mental illness, mental disorder or physical disability.

Effective Dates of Coverage

Eligible Employee:

Open Enrollment

The Open Enrollment under this Contract shall be held annually.

Family Status Change

Your benefit elections are intended to remain the same for the entire Coverage Year. During the Coverage Year, you will be allowed to change your benefits only if you experience an eligible Family Status Change which includes:

- Change in legal marital status such as marriage or divorce.
- Change in number of dependents in the event of birth, adoption, or death
- Change in your or your spouse's employment - either starting or losing a job.
- Change in your or your spouse's work schedule, such as going from full-time to part-time or part-time to full-time, or beginning or ending an unpaid leave of absence.
- Change in dependent status, such as when a child reaches maximum age under the Plan. Change in residence or work location so you are no longer eligible for your current health plan. Become eligible for Medicare, Medicaid or Children's Health Insurance Program (CHIP) coverage.
- Termination of Medicare, Medicaid or Children's Health Insurance Program (CHIP) coverage because you or your dependents are no longer eligible.
- Loss of other coverage.

Due to federal regulations, the changes you make to your benefits must be consistent with the Family Status Change event that you experience. For example, if you have a baby, it is consistent to add your newborn to your current dental coverage but it is not consistent to drop your dental coverage altogether.

If you experience one of the above eligible Family Status Changes during the year, you have 31 days (except in the case of qualification for or termination of employment assistance under Medicaid/CHIP, in which case the employee has 60 days after the date of eligibility) from the event to change your elections. If you do not change your benefits within 31 days of the event, you will not be allowed to make changes until the next Open Enrollment period. You may obtain a Family Status Change Form by contacting your Employer. All changes are effective the date of the change.

Covered Fees

Under this Program, YOU ARE FREE TO GO TO THE DENTIST OF YOUR CHOICE. You may have additional out-of-pocket costs if your dentist is not a participating Delta Dental PPO or Delta Dental Premier dentist with the plan. There may also be a difference in the payment amount if your dentist is not a participating dentist with Delta. This payment difference could result in some financial liability to you. The amount is dependent on the nonparticipating dentist's charges in relation to the Table of Allowances determined by Delta.

TO AVOID ANY MISUNDERSTANDING OF BENEFIT PAYMENT AMOUNTS, ASK YOUR DENTIST ABOUT HIS OR HER NETWORK PARTICIPATION STATUS WITHIN THE DELTA DENTAL PPO AND DELTA DENTAL PREMIER NETWORKS PRIOR TO RECEIVING DENTAL CARE.

Delta Dental PPO Dentists:

Claim payments are based on the Plan’s Payment Obligation which is the highest fee amount Delta Dental approves for dental services provided by a Delta Dental PPO dentist to a Delta Dental covered patient. All Plan Payment Obligations are determined prior to the calculation of any patient co-payments and deductibles as provided under the patient’s Delta Dental program.

Nonparticipating Dentists:

Claim payments are based on the Plan’s Payment Obligation, which for nonparticipating dentists is the treating dentist's submitted charge or the Table of Allowances established solely by Delta Dental, whichever is less. The Table of Allowances is a schedule of fixed dollar maximums established by Delta Dental for services rendered by a licensed dentist who is a nonparticipating dentist. Claim payments are sent directly to the Covered Person.
