

This report contains information that is required by the U.S. Department of Education.

Hamline University was awarded \$1,285,114 by the U.S. Department of Education (Ed) in accordance with Section 18004(a)(1) of the CARES Act to provide emergency financial aid grants to students. President Miller authorized, and the University submitted to Ed, a Certification and Agreement document with the assurance that the University has used or intends to use no less than 50 percent of CARES Act funds received to provide aid. These funds were fully dedicated to supporting emergency financial aid grants to students.

On May 6, 2020, the total number of students at Hamline who were eligible to participate in

determined to be candidates for a CARES Act emergency grant. Finally, grant award amounts were set in a consistent manner based upon each applicant's AY2020 expected family contribution and enrollment percentage. Eligible students with the highest levels of need received a second award in the fall of 2020.

The following table presents the final 2020 CARES Act expected family contribution (EFC) categories, number of students in each category who were provided an award(s), and total awarded amount ranges.

EFC Category (\$)	Number of students awarded CARES Act grants	Total awarded amounts ranges +
